

Serial No.: 10/750,883

a basis to reject the claims under 35 U.S.C. § 103(a).

In light of the above, it is submitted that claim 1 is clearly patentably distinct from the applied prior art, and the rejection should be withdrawn and this application allowed.

Applicants also reiterate the plea to include withdrawn claims 5 and 8-10 with the allowable claims 1-4.

Again, reconsideration and allowance of this application is respectfully requested.

A petition for a one month extension of time is made and payment is addressed as part of the RCE filing. Please charge any fee deficiencies to the same account.

Respectfully submitted,

CLARK & BRODY
